

Log into your River Charter School Aeries Parent Portal Account.

Use the Full Web Version, not the App.

The office does not have access to look up your password, if you cannot recall it, please follow the prompts to reset your password. If it says your email is not on file, you probably never set up your parent portal account. You will need to be sent an invitation for this. The office will need to initiate this Portal invitation.

You will see your child’s name that the parent portal account is associated with along with the school they attend. This one has been blocked out for security purposes. All different prices for ASP are offered in this store, click the purchase option on the left-hand side of the price you will be paying for. In the description of the store is a reminder of the cost per Trimester/Full Year depending on how many children you are paying for.

Example I am paying for two children for one trimester, I would need to pay \$1080.00. Click the box on the left-hand side then select add item at the bottom. See image below.
